Exciting News

Safety 1st - Please do not attend if you :

- A. Have any flu like symptoms.
- B. Believe to being in contact with COVID-19 persons
- C. Travelled interstate or overseas in the last 14 days.

This meeting is limited to 100 people, so any more than 100 will have to move on to another area.

Resumption of Tuesday Club Meeting

In response to the Phase 3 lifting of Covid-19 restrictions, the committee has decided that we should resume our club meeting on **Tuesday 16 June** with rides departing at 9am from the usual place (the Halls Head Parade Community and Sports Facility).

Please note that we will adhere to all the safety guidelines and, in particular, physical distancing .i.e. 1.5 metres between people and a minimum of 2 square metres per person.

This can be achieved if we have 1.5 metres between the groups and each person in the group is roughly a bike length from the person in front. Groups will be limited to ten members.

Please note that we are required to maintain attendance records and so every member will have to sign an attendance list.

It's understandable if some members still feel uneasy about mixing with a large group.

Therefore Individual groups wishing to continue with the arrangements they have in place for meeting, that is acceptable.

Ride leaders notify notify the Club of your intentions if you chose this option.

As this is a normal club ride please wear the club shirt.

Looking forward to seeing you all there!
